- Make Payments
- Track Electric Usage
- Report Outages

In accordance with Tex. Util. Code 17.006(f), BEC maintains information about the cooperative's procedure for implementing involuntary load shedding and reducing electricity use at times when involuntary load shedding events may be implemented, as well as the types of members and procedures for who may be considered critical care residential customers, critical load industrial customers, or critical load. Please visit BanderaElectric.com/Outages for more information regarding outages and reliability.
