OUTAGE

If a problem arises, the homeowner/renter is required to contact the City of Boerne first. If you fail to contact the City, and it is later determined to be something that could have been repaired by the City Crews, the City will not reimburse for expenses incurred.

Request for Disclosure of Information Maintained by the City of Boerne Utilities Department Information in your City of Boerne Utilities Department customer account record, including information regarding customer usage, services, and billing, including amounts billed or collected for utility usage, is generally exempted from disclosure under Texas Government Code, Chapter 552 (Public Information Act). * However, the Texas Utilities Code, Chapter 182 (Rights of Utilities Customer) provides that a customer of a government-operated utility may request that the government-operated utility disclose personal information in a customer’s account record, including the customer’s address, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage. Additionally, a customer or a representative of the customer may receive information exempted from disclosure if the information directly relates to utility service provided to the customer and is not otherwise confidential by law.
